DETAILED ACTION

Response to Amendment

1. The reply filed on 10/28/04 consists of amendments to claims 1, 6-9, cancellation of claim 5 and remarks related to rejection of claims. The claims are not allowable as described below.
2. The amended is objected to because it does not provide status (original, currently amended , etc.) of claims 8 and 9.

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

4. Claims 1-4 and 6-9 are rejected under 35 U.S.C. 102(b) as being anticipated by Ruffa (6072928).

Ruffa (Figures 1-2) shows a cable having a conductive core, a plurality of optical fibers 18 located longitudinally inside the cable and the optical fiber forms an attachment with a means 26 for measuring the temperature of the optical fiber. The use of the cable in a duct or overhead cable is inherent.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Sanders (20040124001) and Kleinerman (5696863).
6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.

Response to Arguments

7. Applicant's arguments with respect to claims have been considered but are moot in view of the new ground(s) of rejection.
